Catechists and Assistants needed – Kindergarten through High School

Especially now more than ever, children are in great need of a witness to the Faith. Is Jesus calling you to bring the children to Him? You do not need to be a professional teacher. You may see this as an opportunity to share your Faith and to grow by developing your skills as a catechist through formation and training that will be provided. Teachers are required, with assistance, to prepare and to teach about 25 class hours from September through April using grade-appropriate curriculum that will be provided.

Teachers are required to complete a background check and attend the Safeguarding all of God's Family Training. Teachers are asked to work toward certification through trainings offered throughout the Archdiocese.

Being a teacher requires a willingness to grow and learn, skills, and a lot of dedication and service. The rewards are tremendous!
